**7.00pm Are you on track to achieve your retirement goals?  
Melanie Dunn**

This session will examine latest research on retirement sustainability. We will explore the retirement risks of longevity, inflation and investment risk, as well as the importance of cashflow planning. In particular we will consider a framework for determining the key risks faced based on your goals for retirement, and what strategies are available to address those risks.

**Melanie Dunn: Technical Services Manager – Retirement Income and SMSF, Challenger Limited**

Melanie is one of the leading female presenters in the SMSF industry. Her extensive knowledge and passion for SMSFs and Australia's retirement system has seen her develop into a thought leader and coveted educator. Melanie is a qualified actuary specialising in Global Retirement Income Systems. She heads up SMSF Retirement Specialist, Accurium's Technical Services capabilities and is also part of the Challenger Limited Tech team where she uses actuarial techniques to develop strategies and tools for providing retirees with financial security in retirement. Melanie also provides regular editorial contributions for the media and was also a finalist in the Women in Finance awards in two categories for 2017.

**Cost: Members & Members' Guests \$10pp / Non-Members \$15pp.**

We would like to encourage members to bring along their membership card to meetings. We will have plastic holders to enable the card to be used as a name badge. This will also ensure members are given the preferential lower members rate. Don't forget member's partners and guests are welcome to come along at member's rates. Hope to see you there.
