7.30pm	Australia's Economic Outlook: How to Invest in a Sluggish Economy <i>David Bassanese</i>
<p>Australia's pace of economic growth has been patchy in recent years, and the outlook is still mixed. This presentation will review Australia's economic outlook, including that of interest rates, the Australian dollar and share prices. The presentation will also outline a number of local investment ideas that may be of interest to investors in light of the Australia's current economic situation.</p>	
<p>David Bassanese: Chief Economist BetaShares</p> <p>David is one of Australia's leading economic and financial market analysts, regularly appearing on television, radio and print media. He is also an economic adviser to the National Institute of Economics and Industry Research (NIEIR). In addition, David writes a weekly comment on economic and financial issues for The Switzer Daily. David is a former senior financial columnist for The Australian Financial Review newspaper, and interest rate strategies with Macquarie Bank. He is a former Federal Treasury and OECD economist, and graduate of Harvard University. David is also the author of Australia's most comprehensive book on exchange traded funds.</p>
